

## 3RD GRADE WINTER CONCERT SONGS

### SONG OF THE SEASONS

In the autumn when leaves are falling and the frost is on the ground,  
All the earth now is filled with color; gold and green and red and brown.  
All the earth prepares for winter and the geese begin to fly.  
Then the sky is hushed in silence and the stars go passing by\_\_\_\_\_.

In the winter when snow is falling in a blanket deep and cold,  
All the shadows grow daily longer and the sun grows gray and old.  
Draw you close, then to the fireside as the darkness falls on high.  
And the world is white with silence and the stars go passing by.

Fall - ing, fall - ing, fall - ing, fall\_\_\_\_\_.

Troll the ancient Yuletide carol, Fa la la la la, la la la la.

Now 3<sup>rd</sup> grade sings Part 2 at the same time the audience sings Part 1!
